

# Infant & Preschool Swimming . . .

## What is it?

- ❖ A time for infants to become comfortable in and around the water
- ❖ A time for preschoolers to learn fundamental swimming skills such as kicking, arm strokes and bubbling
- ❖ A special one-to-one experience for a parent & child
- ❖ Thirty minutes of FUN, a lifetime of memories

“This is a quality time for you and your infant or preschooler. Our experienced instructors will guide you through age appropriate water safety skills, games, and water adjustment activities. Come to begin a lifetime of safety and fun in and around the water.”
