

NORTHEAST

2009 Safety Town

A Community Project
for Safety Awareness in collaboration with ISD 622 Community Education & ECFE

Some of the topics and activities covered during Safety Town:

- Safe street crossings
- Fire Department Smoke House
- School Bus safety
- Practice calling 911 with 911 operators
- Ramsey County Safety Patrol and school cross-walk signs
- American Red Cross unit on water safety
- Thin Ice
- Poison dangers
- Child ID cards with photo and fingerprint for parents
- Strangers
- Unwanted Touch
- Seat belt safety and bicycle safety
- Graduation Ceremony on Friday
- Parent handouts and resources

Safety Town is a program designed specifically for School District 622 children entering kindergarten in the fall of 2009. Children are enrolled for a one-week session (Monday through Friday) for two hours each day.

2009 classes are scheduled for July 27 - 31, and August 3 - 7.

A new feature this year is **Parent Talk** - when a licensed parent educator will meet with parents to talk about appropriate expectations of kindergarteners, how to make Safety Town learning last, and other tips for getting ready for the school year. On graduation day, parents can plan on staying for the entire session time and children's activities will be provided for the siblings of our graduates during the **Parent Talk**.

No ISD 622 resident will be denied participation in Safety Town due to inability to pay. Non-residents are welcome to register for available openings beginning on June 1, 2009. Registrations will be entered as they are received. We will call you only if your first choice is not available. Letters with specific details and directions will be sent to Safety Town participants beginning on July 10, 2009.

Safety Town classes are scheduled at Gladstone Community Education Center - 1945 Manton Street in Maplewood. 651-748-7280

Fee is \$27, and includes a Safety Town t-shirt.
